**Swiss Centers – Patronage 2027**

**Join us as a Patron**
For more than 26 years, the Swiss Centers has served the Swiss economy by supporting over 500 companies in their development in China through concrete operational services, expertise, and a valuable network.

Swiss Centers has demonstrated a strong and long-term commitment to the Swiss economy by raising awareness and providing fact-based insights on the Chinese market, and engaging with business representatives and official institutions to address challenges. This includes the Swiss Business in China Survey, a respected research work providing valuable data for Swiss companies operating in China, and the SSFTA Round Table to help with the implementation of the Sino-Swiss Free Trade Agreement.

By becoming a patron of the Swiss Centers, you and your company contribute to this mission of knowledge, internationalization, and stimulation of connections between Switzerland and China. In addition, you gain access to a yearly program of exclusive activities and services that will enrich both your expertise and your network.

Thank you for supporting Swiss business and its global competitiveness!

| Patronage | Contribution per year |
